Why join the club?? The CC-PAC Club is the best way to protect your patients rights and future wellness with access to chiropractic treatment in Colorado. YOUR contribution of just a little over \$8 per month will be used to continue our positive contacts with our state legislators. That's where we CAN make a difference in Colorado. Each Colorado legislative session there are issues which impact doctors of chiropractic and their patients. So, there is ALWAYS a need for a strong, well-funded PAC. Your staff, spouse, family, friends and patients can help, too.

The fine print. . .

The Campaign Finance Reform Act establishes the rules on contributions to PACs (Political Action Committees) in Colorado. The maximum contribution an individual can make to a PAC is \$525 per election cycle (every two years). For example, an election cycle is from **December 5, 2008 to December 2, 2010**. Corporate/business checks are allowed as well as checks from individual accounts. Each family member may contribute with their own personal account, but only one contribution can be made from a joint account. *(Contributions directly to CANDIDATE CAMPAIGNS: Each individual may contribute up to \$400 each two-year election cycle (\$200 for the primary election and \$200 for the general election).* A husband and wife may make a single \$800 contribution if the contribution is done from a joint checking account. Be sure to include to include your current address, profession, and employer with your contributions to make it easier for the candidates to properly report. If you have any questions of whether ANY contribution is permissible or not, feel free to call our lobbyist Terry Snyder 303-629-6360.
